

# Worksheet 7.3 Answers

## White Key Minor Scales

Construct the three forms of the minor scale. Do not alter the first note.

The lower tetrachord is the same in all forms of minor. The upper tetrachord varies.

Indicate the number of accidentals used in the box at the right margin.

Lower Tetrachord for all minor scales	Upper Tetrachord for Natural Minor	Upper Tetrachord for Harmonic Minor	Upper Tetrachord for Melodic Minor	Number and type of accidentals in Natural Minor
W H W W	H W W	H (W+H) H	W W H	
				0
<p>22</p>				1
<p>44</p>				2
<p>65</p>				1
<p>86</p>				2
<p>107</p>				3
<p>128</p>				4
