

BIBLIOGRAPHIC FORMAT

The following bibliographic format must be used. I will grade conformity to this style rigorously.

In-Text Citation Format

In the text of the paper, you will use the following parenthetical notation, referring to the complete citations in the bibliography: (Eaton, 1998) or more precisely, (Eaton, 1998: 56) for page 56. These citations are located usually at the end of a sentence and before the period. They may also be located before a comma or a semicolon. Footnote/endnote numbers in the text must be located after the period (e.g., ¹). Please use regular numerals and not Roman ones.
