

Worksheet 5.1 Answers

Rewrite the same rhythms in different time signatures.

The lower number of the time signature indicates the beat unit.

Three-four time in Example 1 uses half, quarter and eighth notes.

The same rhythm in three-two time would use whole, half and quarter notes..

The same rhythm in three-eight time would use quarter, eighth and sixteenth notes.

Use beams when possible.

Quarter note beat unit

Half note beat unit

Eighth note beat unit
